Urology in General Practice Symposium Terms and Conditions of Registration

Urology in General Practice Symposium 2020 Terms and Conditions

Disclaimer: The information on this website and in event related material is correct at the time of provision, however, the organisers reserve the right to change the information where necessary without notice.

Cancellation policy: Due to a limited number registrations available, we ask that you kindly notify use should you know longer be able to attend so we can reallocate your registration to someone on the waitlist.

Program: Urology in General Practice reserves the right to change event programs at any time. Every effort will be made to ensure programs of equivalent standard.

Behaviour: The Urology in General Practice reserves the right to prohibit access of any person to an Urology in General Practice event, or eject any person from an Urology in General Practice event at the Urology in General Practice discretion.

List of participants: In registering for Urology in General Practice, relevant details may be incorporated into a delegate list for the benefit of all delegates (name, organisation and state). Further details may be available to parties directly related to the individual event registered for (for the purpose of room bookings, special catering and physical requirements, name tag creation and event options). Sponsors and exhibitors may be supplied with the full name, title, organisation and state of those delegates who do not 'opt out'. Should you not wish for your details to be passed on for any of the above purposes, please indicate this in writing to the Urology in General Practice via [email](#).

Future communication: In accordance with applicable legislation the Urology in General Practice may provide notices or correspondence to you by electronic communication. By completing this application, your consent to this form of contact is taken to be given.

Privacy

Urology in General Practice complies with the requirements of the national Privacy Act 1988 (Cwlth) (Australia) and the Privacy Act 1993 (New Zealand) and has adopted the Australian National Privacy Principles as the guidelines for ensuring the protection of personal information in its care. This policy applies to all personal information collected, stored, used and disclosed by Urology in General Practice. By 'personal information', we mean information about an identifiable individual.
